

Hammock Nest Instructions

- People use the Hammocks at their own risk.
- Please observe the total maximum weight allowed of 170kg.
- Two Hammocks are stored under the eaves in the Gazebo on North corner of lake.
- Please place hammocks back in bags and return to eaves after use
- Attach one end of hammock to the snap hook on the sculptured beacon and the other on the wooden post.
- Only one hammock per snap hook.
- Ensure the strings are not twisted.
- There is a bit of a technique to laying in a hammock, they have a tendency to twist and dump you unceremoniously on the floor, getting in slowly and carefully wins the day!
- Please report any damage or wear to Andy via Email - booking@serenitylakes.co.uk.
- Please do not pack away wet. If they get rained on, please leave them out till they are dry.
